Soaring to Excellence

June 17, 2021

Dear Parent(s) and Guardian(s):

Your child was **recommended** to attend the 2021 Summer School Program housed at Victory Elementary School. **Please note that if your child is unable to attend the first week of the 2021 summer school session June 28 - July 1, 2021, the student will be dropped from the summer roster.**

It is our goal to work with you to help ensure your child's academic success. Portsmouth Public Schools believes that children can benefit from summer school instruction that focuses on core academics. Therefore, parents should expect a strong emphasis on reading and mathematics throughout the summer program. Additionally, summer school participation and performance will be added to your child's permanent school record.

We ask you to assist us by having your child at Victory Elementary School every day of the summer session with the appropriate materials and supplies. Please know that the summer school staff at Victory Elementary School is excited for the opportunity to work with you and your students. Open communication enhances the learning environment for everyone involved, so please reach out to us frequently.

Summer school classes begin on Monday, June 28, 2021, for all Victory and James Hurst students and will end on July 29, 2021. Students will attend summer school from 9:00 a.m. to 1:00 p.m. Monday through Thursday.

- Bus transportation will be provided daily at selected times and locations for summer school students. Bus stops will be available on **the PPS website before June 28** and may differ from the regular school year stop.
- Parents dropping off students for summer school should not enter the riders' ramp lane prior to 8:55 a.m. If you arrive earlier, please park in the parking lot.

If you have any questions or concerns regarding the 2021 Summer School Program, please do not hesitate to contact me at Victory Elementary at 757.393.8806.

Sincerely,

Le Alexander

Summer School Principal
